ORDER

13 The last non-administrative action by the court in this case was to deny plaintiff's motion
14 to amend the complaint without prejudice to its refiling following resolution of bankruptcy
15 proceedings initiated by defendant (#43). On March 12, 2012, plaintiff filed the bankruptcy
16 court's order granting defendant relief from the automatic stay (#47). Plaintiff has not refiled the
17 motion to amend.

18 THE COURT HEREBY ORDERS that within thirty (30) days from this order the parties
19 shall report either separately or jointly in writing on the status of this action, including whether the
20 parties will seek further discovery (with renewed involvement of the magistrate judge), and
21 whether plaintiff intends to refile its motion to amend the complaint.
